Add or Drop Classes

To add a class, enter the Course Reference Number in the Add Classes section. To drop a class, use the options available in the action pull-down list. You are strongly encouraged to drop a course. A change to your academic schedule can result in delayed graduation. Also, dropping a part-time status can impact insurance (health and auto). Thanks for any changes to your schedule. You cannot be re-added to a course if you drop after the last day to register.

* Full-time status is 12 credit hours for undergraduate students, 9 credit hours for graduate students and 12 credit hours for law students.

Note: If you drop a class after the last day to register you will receive a "W" for the class.

Questions should be directed to registrar@uva.edu.
